Curriculum Vitae

Tyler is a Manager at Credibility International with 13 years of experience providing financial advisory and consulting services for companies, government entities, and legal counsel in matters involving complex disputes, investment arbitration, forensic accounting investigations, and insolvency. Tyler's experience spans across a range of industries including industrial manufacturing, construction, mining, retail, and banking/financial institutions. She has consulted on quantum damage analyses involving breach of contract disputes, valuations, investigations and bankruptcies under ICSID, ICC, UNCITRAL, PCA and AAA rules. She holds a Bachelor of Science degree in Finance from Miami University.

Professional Experience

Prior to joining Credibility International, Tyler provided similar accounting and financial advisory services as an Associate at Huron Consulting Group (2007-2009) and Senior Analyst at RGS Associates (2010). Tyler's primary focus has been in litigation support and damage analysis with focus on valuation and international arbitration matters.
