## **Curriculum Vitae**

Matthew is a consultant at Credibility International with experience in business valuation and data analysis.

### **Professional Experience**

Prior to joining Credibility International, Matthew assisted with business valuation and market research as an intern at the IrishAngels investment network. As an undergraduate, Matthew contributed as a research assistant to economic research projects.

Representative examples of Matthew's engagement experience include:

#### ***Data Analysis***

- Developed a monthly process through which to analyze revenue and gross profit variances in a manufacturing business.
- Assisted with projecting the likelihood of future extreme weather events and quantifying their economic impact on the 200 most populous cities in the United States.

#### ***Business Valuation***

- Assisted with financial due diligence of startup-level companies, including revenue projections, market sizing, and comparable transactions.

#### **Education**

- Bachelor of Business Administration, Accountancy and Economics – University of Notre Dame, 2019
